## Girlfriends,

With fresh summer memories behind us, it sure seems life has a way of getting away from us — if we are not careful! That's why I savor every moment with friends and family. It seems to be the surest way of keeping life's fleeting time-factor alive and well for all eternity.

Obviously I've had a glorious season, filled with laughter and appreciation of all the lucky opportunities I have been given to enjoy this time around. Likewise, I hope you all feel the same. If not, don't just sit there with rollers in your hair and those pink, fuzzy slippers on your feet, feeling miserable. Try not to feel sorry for yourself this fall and be greatful for what gifts of life you've been given. Somehow, I promise the winter will not seem as cold.

This issue shows more of the New York happenings through the eyes of my friend, Ciui. If you have not

seen the movie *Is Paris Burning?*, by all means check it out. It gives great insight as to what's happening with the younger drag generation as an art form and a lifestyle!

Having attended La Rey's "Paradise Ball" this year, I must give her a big (gloved) hand. The contest went as smooth as silk (even the flowers were silk for that matter), and the competition was just breathtaking — just peek inside and take a look for yourself!

I have received a few offers from those who wish to do some writing for us. We can always use fresh, new material, so come on, kids, let's put all those good ideas and fantasies on paper for everyone to share!

Till then,

with love and best wishes,  
Kim Christy

# THE NEW YORK SCENE

## with Guess Who!

# New York is Burning

## starring Octavia St. Laurent

Photos by Cim

Yes, you heard what I said — New York is Burning. From the movie **PARIS IS BURNING** to the stage, **OCTAVIA ST. LAURENT**, one of New York's most famous transsexuals (from the **HOUSE OF ST. LAURENT** — one of the houses New York is famous for) had premiered at **SWEETWATERS** recently to a packed house.

Malissa and dance partner.

The show was announced as **OCTAVIA ST. LAURENT'S FANTASY REVIEW**, and yes, that's exactly what it was. The show began with Octavia's mom. Much to my surprise, she was very youthful looking. She belted out several lovely songs, backed up by three beautiful back-up singers, with a great R&B band that topped the show completely.

Princess Leila Zoraya, Octavia, Ric

Weekend

Paris Dupree.

Then the show was followed by **MALISSA** and partner, who worked out a routine Vogue'ing to the song "**WORK THAT P\*SSY**" — I think you got the message. That was interesting. Then **PARIS DUPREE** herself came out and did a fabulous "**THIS IS MY LIFE**" and "**DON'T LET NOBODY TELL YOU (WHAT YOU CANNOT DO)**" and tore the house down. She's a very good and creative performer. And now the star of the show herself — Octavia! She looked beautiful and shined like a diamond. Her voice was very good, especially after she warmed through the first song. It was all smooth sailing.

Octavia and her mom.

Octavia sang four lovely songs, which delighted the crowd. When the show finished, she was accompanied by managers, reporters and agents to talk about future bookings and contracts. Good luck, Octavia! I know that you will do well.

Octavia St. Laurent and Chicago reporter.

NOW: Just a little dirt I wanna talk about. The producer who is responsible for bringing the movie **PARIS IS BURNING** to the screen is being sued for several reasons, by several people who appeared throughout the film. According to one of my sources in the movie, the film was to only be a documentary for a college thesis, and not available to the public for viewing. Sounds familiar? Well, of course it does!

Octavia St. Laurent.

Princess Leila Zoraya, Octavia,

Malissa

Look at **MADONNA**'s dancers. Several of them are suing her for the same reason. Like we haven't been exploited enough by **PHIL DONAHUE**, **GERALDO**, **SALLY JESSE RAFAEL**, **JOAN RIVERS**, **MONTEL WILLIAMS**, **HOWARD STERN**, etc. Must I go on? Several of these cases are about exploitation, because several of the persons in **PARIS IS BURNING** have already had their sex reassignment surgery. I'll keep you posted. Until then — I'll be seeing you in all those familiar places!!!

# Modeling in Paris

# Modeling in Paris

Yevette moved from the South of France, where the other boys made fun of "her." But the fashion houses in the "City of Light" are having fun by dressing Yevette in their latest designs for all to envy!

# Paris Anyone?

Yevette's nature to be a little sex kitten comes quite normally, for wherever she goes, men seem to want something from her. She does her best not to be such a flirt and a tease, but the pleasure it brings her is far too great. Showing her stockings and garters is just her simple way of saying "thank you" to those who would bed her in a flash!

# Paris for Lunch, Anyone?

for Lunch,

# Paris for Lunch,

Lying around her flat in Paris, the telephone rings constantly with offers for runway and photo work. But today is very special. After a hot bubble bath and a dash of *Joy* perfume in all the right places, Yevette is content to sit around and wait for Mr. Right to call!

# Letters to the Editor

*If you wish to write to Kim and possibly have your letter published please send all correspondence to F.M.I., POB 1622, Studio City, CA 91614. All letters sent are considered for unconditional publication unless otherwise specified. If you wish to have your pictures published as well, please see the new requirements for models releases and ID on page 39.*

Dearest Kim,

Ever since I bought my first issue of *F.M.I.* many years ago, I have been smitten by you and your work. I consider your periodicals and videos to be the best in the industry. Your name has always been synonymous with *quality*. I say that not just meaning "your product." The Kim Christy we know is a *champion* of our cause and lifestyle. Your elegance, support and caring for those of our lifestyle has meant more to me than I could ever begin to express.

Now that I have reached my thirties, I must say that I am ever the more proud to be who I am. I am still smitten by my alter-ego. I still love every moment of the transformation into womanhood, and the often crazy "adventures" I occasionally seek and enjoy. Such events are as meaningful now, as they were when I was younger.

When I think of all the crazy, wonderful things I've done over the

years, I marvel at my "courage." I know though, that without your inspiration I would not have had

**"I still love every moment of the transformation to womanhood."**

When I choose — I am able to *live* them.

On a recent vacation in Toronto, Canada, I daringly visited a popular "mostly straight" nightclub in one of my most elegant and sexy costumes. After hours of dancing with a very handsome young man, I was asked out on a date for the following night. I told him I would accept on the condition that he understood my circumstance. "You have a husband, right," . . . he said. I was so flattered, Kim! When I told him I was a guy in a dress, he was dumbfounded!

To make a long story short, he actually found the prospect of our date intriguing. He took me out each night for the final four nights of my vacation! I never had so much fun. He encouraged me to be escorted by him to movies, and to all kinds of "regular" places. He treated me like all girls dream! The glow of my vacation has still not worn off. In a sense, Kim, it is one

such courage. I have taken my art to the point where I no longer dream of fantasies of womanhood,

of many times when (I still insist because of your inspiration) I was able to truly be me.

I have found that happiness is a simple thing. People gain courage from the support of others. My courage came from your support, from others, and from within. Without you I feel I would most likely be happy, but certainly not to the level that I am!

Thanks so much, Kim!

Love,  
Carole-Anne

Dear Carole-Anne,

*It's so wonderful to hear from you again. Letters like yours give me inspiration and remind me of the appreciation that does come back every once in awhile. I love you for it! Thank you!*

Love,  
Kim

Dear Kim,

Thank you for providing me with the opportunity of appearing in your various publications. I still receive letters and compliments from photographs which first appeared more than two years ago.

Your publication is much more than a source of entertainment. It provides a very important network for an under-estimated and under-represented portion of American society. Again, thank you.

Before you came to my attention as an adult film actress and magazine publisher, I was very attracted to the works of Jennifer Jordon. Can you tell me what has happened with her career? Did you ever have any affiliation with her, professional or otherwise?

Sincerely,  
Roberta

Dear Roberta,

*Jennifer retired from the public eye in the mid 1980s.*

*No, I have no affiliation with her any longer, but I do have the*

*fondest memories of all the projects we worked on together.*

*Jennifer may be out of the spotlight, but she is alive and doing very well, indeed!*

Best,  
Kim

Dear Kim,

I disagree with some of the comments in the recent letter from Barb in Vol. 19, No. 3.

I am a heterosexual. I like women of all types, and as far as I am concerned, TVs and TSs are

## **‘Being a woman is a matter of how you feel and act.’**

women. Being a woman is a matter of how you feel and act. However, TVs and TSs are very special women. They have had to make an effort to be women. It was their decision, not an accident of birth. Thus, they are even more womanly than people who were born with female genitalia. We might say that they try harder.

To deny or hide the existence of the male genitals on these very special women is to deny their very special status and quality. Without male genitals, they present themselves as just ordinary women. Now, I am not putting down

“ordinary” or conventional women — I love them, too. I just think that we should recognize and enjoy the fact that there are two (or more) kinds of women.

So, when appropriate, show the genitals, so that we may have an occasional reminder that you, and your sisters, are very special and desirable women.

Sincerely,  
Dorian

Dear Dorian,

*I have found that the politics and definitions of the transgendered world are so varied and debatable that I have given up trying to settle on certain conclusions. Suffice it to say that, in this world, to live and let live is of the utmost importance.*

*Write again, soon!*

Much love,  
Kim

Dear Kim,

By separate cover, I have ordered some photos of Brooke.

Your note about her in the brochure led me to drop you this note. She is stunning, and it amuses me to think of how many men must come out of the closet at the sight of her white skin, green eyes, red lips and thick cock.

Please express my admiration to her.

Yours submissively,  
C.M.

Dear C.M.,

*I am so glad that our Miss Brooke has had such a positive response. I knew she was a stunner when I first met her, and I hope to bring you more Brooke products in the future.*

Best,  
Kim

# Paradise Found at the Battle of the V.I.P.s - 1992

KARINA

Everything was included to make this lavish event the Ball of Balls: Sportswear, talent and an evening gown competition. All in all, the evening went like clockwork! Last year's winners (on next page) waited through every moment, breathless at the beauties before them, greatful they were not up against the vigor & vim of tonight's contestants!

KARINA

**TRIPLE CROWN WINNER**  
(Only Two In La Rey's 22 Year Contest History)

## Paradise Found

The gowns were spectacular, the expense must have been as well! Just look at the creations worn by that live-wire Consuelo Rio (middle, below). That hat alone could pay the rent for six months. The work and pride these girls put in, however, could never be measured in dollars.

## Battle of the V.I.P.s

They sang, they danced, they were wheeled in and carried in — nothing and no one was overlooked. Joslyn (#15) won the fashion award. Kimberly (#8, bottom right) won the Goddess Award for 1992, and we think you can see why!

## Battle of the V.I.P.s

Pamala Joy, shown above in the talent part of the evening, would go on to win Miss Gay L.A. 1992, making her a triple crown winner in the Los Angeles area. For the first time in recent memory, all the winners deserved the awards they received. All and any of the top ten could have been the one getting crowned at the end of this wonderful evening.

# Battle of the V.I.P.s

To the runners up in the Miss Gay L.A. contest: Jasmine, Consuelo and Alexis; and to the runners up in the Goddess contest: Isabel, Joslyn, Kristie and Courtney — our warm and sincere congratulations to all of you!

# April's Vacation

by April Kinsey

## PART #2

special way and make you happy at the same time and learn everything I will need to know about...well, about sex, then I wouldn't want anyone to teach me but you. Will you teach me, Daddy?"

April's father stood her up and gently led her around the table where she sat on his lap. With her arms around his neck, he opened her robe and put his arms around her naked waist saying, "Thank you, princess, yes I will."

"Today, Daddy?" she pleaded.

"Yes, baby. All day. I'll tell you what, I have some errands to run for your mother, why don't you take a bath and get ready. I should be home in a few hours." April beamed as she felt him grow beneath her. "I can't wait," she said. Their mouths met as they lovingly exchanged a long, deep kiss.

That afternoon, April and her father revealed their intentions to her mom. "There will be no deceit in this family," he said, "your mother must

be told."

April's obvious nervousness was assuaged quickly by her mother who thought it was a great idea. She knew she would be unable to have sex for months to come and April was at the age where she needed to learn about such things. She took her daughter's hand and said, "Your father is the most wonderful lover I've ever had, you should learn from the best." Then she jokingly added, "I'll be doing some reading today, so just keep it down,

April's father took her to her bedroom and gently slid her robe from her shoulders, letting it fall to the floor. He raised her chin with a fingertip as his lips softly grazed hers. He took her in his arms and held her against him in a lover's embrace. She had never been held like this before and shuddered as he placed her dainty hand against his growing manhood. She unzipped his pants and lowered them to the floor, leaving him naked from the waist down as she grasped and caressed his full, sturdy erection.

Her father moaned softly, "Kiss it, princess. Lick it...love it." April dropped to her knees and held his burning steel in both hands. She explored every crevice, examined every curve, every vein. She was awestruck by its length, its girth, how it throbbed urgently. It was a threatening weapon but she felt warm and safe as she scorched her virgin lips upon its seething heat. She licked the long, thick shaft up one side and down the other until he was covered with her warm mouth juice. Instinctively, she cradled his heavy globes in her fingers. He moaned as she gently caressed his sac with her delicate nails.

She looked up at him when he spoke her name. Her soft pink lips slightly parted, her blonde mane cascading over her breasts cradled so softly in the sheer satin of her obscenely low-cut lacy, pink strapless bra. Her eyes filled with wonder and innocence when he said, "Put me in your mouth, baby. Suck on me...as deep as you can."

The heat of his burning tool filled her little mouth as his searing length scorched down her throat. She nestled her soft lips against his pubic hair as he throbbed mightily within her. He took her hair in his hands and manipulated her face up and down, up and down. His long, wet shaft disappeared into her mouth as her hands clutched his ass, holding on joyfully for the ride of her life.

Daddy's breath quickened and his body stiffened as he said, "I'm going to come now, princess. I'm going to shoot my semen down your throat. It's going to be hot and sticky and I want you to swallow all of it. Do you understand?"

"Yes! Oh yes, please," she gurgled

as he took her neck in his hand, held her face flush against his body as his flowing soul burned into her mouth. Massive gobs of his boiling manhood tore down the throat of his willing daughter as she obediently swallowed the seemingly endless stream of his bittersweet lust.

He dropped to his knees and held her in his arms as they kissed wildly. He could taste himself in her mouth as she softly caressed his shrinking penis. They rested quietly against the bed for an hour before it was time to begin the next lesson.

Her father went to the kitchen for some of his wife's cooking oil and explained to April that she would need to lubricate herself for what was to come.

He laid her on her back, opened her soft creamy thighs and said, "What we just did was something a woman does for a man. Now I will show you what a man should do for a woman." April could only grunt, the extent of her response was essentially, "Uunnggghh," as her father's tongue flicked against her virgin hole.

He spread her open lewdly as his mouth locked against her dainty feminine pleasure-giver. His tongue explored every wrinkle and finally plowed deep into her tight little hole. "OH, DADDY," she shrieked as he orally prepared her for the inevitable. She bucked wantonly against his face, her cries were those of a worldly whore. To coin the colloquialism, she was "A Natural!"

This did not go unnoticed by her father, who rose and plunged his tongue down his daughter's throat as he placed one oiled finger deep into her hungry depths, then two!!! By now April had drawn blood from her father's back with her long painted talons when he suddenly withdrew, rested on his haunches, took his burning length in his huge hands and placed the tip against her tiny opening.

"What will happen now, princess, is called...fucking," and slowly, gently and compassionately he entered her.

April's first gasp could be heard down the street and her eyes shot open so wide they could be photographed by orbiting satellites. Within seconds she calmed down and her

father began slowly pumping. Her pain subsided quickly and she soon acquired the rhythm. Her father held her tightly in his strong, mighty arms as she locked her legs around his waist. With her arms wrapped hungrily about his neck, they kissed passionately — the teacher...the student — the knowing...the innocent.

The gentle loving strokes soon became less tender. As their desire mounted, her father's thrusts became more brutal. Their mouths unlocked as together they rocked in furious abandon, gasping for breath the two lovers, lost in carnal debauchery, fucked each other in a white hot display of unbridled lasciviousness. His huge cock tore deep into her tight virgin asshole. April accepted every thrust as she yielded willingly to his cruel assault until he whispered, "Now, baby," and pounded the she-male virgin against the mattress with the last of his merciless urgency.

April was now a woman, an "experienced" woman. And she lay in her father's arms, warm and satisfied, as his hot semen trickled from her deflowered opening. They laughed wildly together as from down the hall, they heard the hearty applause and cheers from her mother who couldn't help but hear the whole thing!!

April and her father repeated this scene often. Her mother got well and Dad stopped drinking. Soon the family returned to "normal." Her father resumed his rightful place in his wife's bed and her parents began allowing April to "entertain" young boyfriends at home.

Everything was coming together. Mom resigned from the DA's office to open her own successful practice. Her father's business thrived once his house returned to order. April was now an honors student, but she had become insatiable and had come to learn that she liked sex a lot — a whole lot. She had fantasies she wanted to explore. Unusual things, hot things, nasty things...

April's plane arrived well past midnight. It was two hours overdue from New York, where her father boarded her for the flight to San Francisco, where she would spend the summer with her cousin...April's time had finally come!
